

# How to use the Google Console Bulk URL Remover Extension

You can download the extension here:

<https://chromewebstore.google.com/detail/google-console-bulk-url-r/fiagcnfiappolbdgnepgohenppnohnfi?authuser=0&hl=en-US>

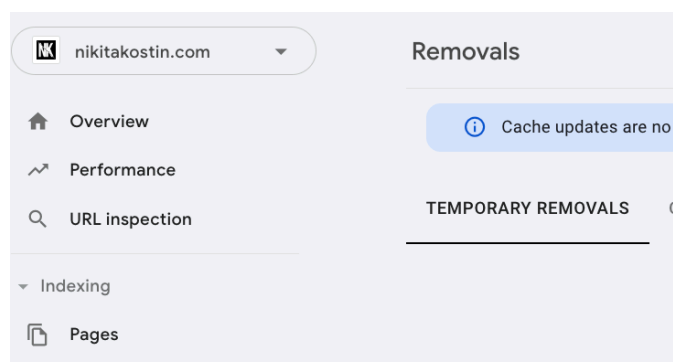

Instructions:

1. Go to <https://search.google.com/search-console/removals>

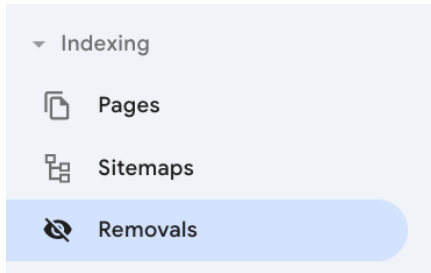

[search.google.com/search-console/removals?r](https://search.google.com/search-console/removals?r)

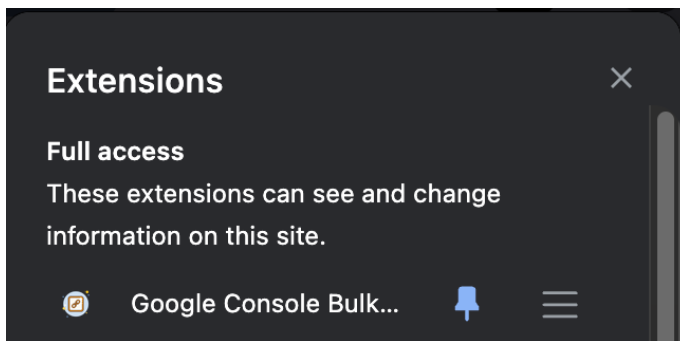

2. Select the website you would like to remove the links in the select box in the left top of the window.

3. Go to the Removals section in the sidebar on the left.

4. Open the Extension Tab in the Upper Right corner of your browser.

5. Open the Google Console Bulk URL Remover Extension.

6. Check the "Download Result File" box, if you would like to receive a file with results of the submission at the end

7. Choose, if you would like to remove the links, or clean cache for the links.
